Faculty of Engineering and Built Environment

The University of Newcastle's Faculty of Engineering and Built Environment brings together expertise in architecture, building, computer science and engineering. All of our degrees are fully accredited and recognised by both national and international professional bodies.

Our undergraduate degrees:

- Bachelor of Computer Science
- Bachelor of Construction Management (Building) (Honours)
- Bachelor of Design (Architecture)
- Bachelor of Engineering (Honours) in the following engineering disciplines: Chemical, Civil, Computer, Electrical, Environmental, Mechanical, Mechatronics, Software and Surveying.

Scholarship for OVEC applicants

Scholarship	Total Value - up to	Duration - up to	Basis of Entry
Dean's International Scholarship for High Achievers	\$24,000*	4 years	International Baccalaureate (IB) score of 29 or Cambridge A-Level score of 8 (best 3)

What if I apply and don't receive this scholarship?

If you qualify for but don't receive this scholarship, you are still guaranteed a Travel Assist Scholarship of \$1,000 per year (up to \$4,000). This can help you with relocation expenses and ongoing travel costs throughout your degree.

How can I apply?

To find out more and to apply for this scholarship, please visit our web page:
newcastle.edu.au/febeovec

**Indicative approximate value based on a four-year degree, applied annually as a 20% fee waiver. Value of the scholarship depends on course selection and remaining degree duration (must have a minimum of 50% to complete).*
